The Age of Reason

Your task will be to design an infographic on the major contributions of an individual during the Age of Reason. Infographics allow for the transmission of information in a more visually appealing way. Remember, your infographics are based mainly on images rather than words. You must include at least one map and at least one chart or graph. You will need to have more pictures, symbols, maps and charts than text on your infographic.

Scientific Revolution	Enlightenment	Women of the Age of Reason
